

An illustration of four brown hands, two at the top and two at the bottom, each firmly grasping a link of a silver metal chain. The chains are depicted as broken and scattered around the hands, symbolizing liberation and the breaking of oppression. The background is a solid dark grey.

Year 6 Autumn 2021 Theme: OPPRESSORS AND EMPOWERMENT

- We will be exploring key features of the past, focusing on the ideas, beliefs, attitudes and experiences of men, women and children involved in the Trans-Atlantic Slave Trade using a wide range of historic sources and evidence.
- Our journey will begin with a Stunning Start Day, where the children will be transported back to the 16th century to experience what life was like for both an enslaved person and their captor on the notorious Middle Passage to the Americas.
- We are changing the way we showcase our themes, so pop back at the end of Autumn term to see our End-of-theme celebration work.
